MEDICAL LEADERSHIP EXPERIENCE

**Clinic Director and Senior Flight Surgeon** - NAS Barbers Point, Hawaii

**1990 – 1991**

My responsibility was to oversee the health care of over 3500 military and 1000 civilian personnel. The naval air station was a full industrial complex serving several aviation patrol units and anti-submarine support facilities.

**Clinic Director** – Naval Shipyard, Pearl Harbor, Hawaii

**1991 – 1992**

The world famous, record setting Pearl Harbor Naval Shipyard has over 6000 employees, mostly civilian, who are involved in all forms of industry including nuclear power. The clinic was the ultimate Occupational Medicine clinic with the expected military medicine, general and specialized physical exams, lab and x-ray for medical surveillance and monitoring plus audiology, optometry, industrial hygiene, radiation health, and acute care to include the responsibility to respond to major chemical or nuclear contamination.

**Clinic Medical Director** – Concentra Medical Clinic, Corpus Christi, Texas

**2010 - 2011**

Oversaw the medical operations at the busiest and highest revenue producing Concentra Clinic in south Texas serving between 120 to 160 patients per day with drug screens, general and specialized physical exams, x-ray, physical therapy,

medical surveillance and monitoring including audiology, ophthalmology, occupational medicine, urgent and acute medical care, Maximum Medical Improvement determinations and impairment ratings.

**Clinic Medical Director** -- U.S. HealthWorks Occupational Medicine Clinic, Tyler Texas **2013 – 2016**  
Oversaw the medical operations at this essentially new clinic for U.S. HealthWorks in Tyler. This clinic is responsible for drug screens, general and specialized physical exams, x-ray, physical therapy, medical surveillance and monitoring including audiology, ophthalmology, occupational medicine, urgent and acute medical care, Maximum Medical Improvement determinations and Impairment Ratings.
